**Subject: DSS-1571 2020-2021 Year-End Information**

Dear County Director of Social Services:

As a reminder, the service month of May 2021 (reimbursed June 2021) is the last month during which counties may report expenditures that will be reimbursed from the SFY 20-21 allocations. To assist counties with the maximization of their remaining funds, we ask that you prepare and submit your DSS-1571 for the service month of May 2021 as soon as possible. **All counties will be required to upload and balance by COB on June 15, 2021.** As always please check the State system via NC X/PTR; XCLOUD for the WCA450 Notification Report (which indicates when counties may upload their files) and the DHRWCA County Transmittal Balance Report (which indicates whether you have uploaded successfully).

Please be sure to begin reviewing the XS337 (YTD Summary of Reimbursement Expenditures) and XS411 (YTD Allocations-Expenditures) reports for areas where you may need to change your coding. If there are other funding sources that may be utilized, we encourage counties to begin submitting requests as soon as an over- expenditure occurs.

If counties would like to have the eligible and available expenditures reclassified by the Controller's Office, a memorandum will need to be submitted requesting a reclassification with explicit details. The memo must include the following:

1. a statement written as follows *"I certify this reclassification is programmatically eligible for the transfer requested"*
2. the application code name
3. the application code number from which you would like to have expenditures moved (both to and from)
4. the amount of the expenditures
5. the County Director's signature

**No automatic reclassifications will be performed by the Controller's Office.**
